

TRA Trout Hatchery

The TRAA trout hatchery is a popular activity of TRAA. It's a great teaching tool with regards to the life cycle of a trout. Those involved with the hatchery get to see firsthand the development stages of the egg and the fry before they find release destinations to area streams.

Volunteers attend to the operation every day to ensure its health and well-being of the trout. There are ideally 2 members assigned for each day of the week. This is done so that as they can care for each other and also allows us to match up anyone wanting to "learn the ropes" with an experienced mentor.

ROD BUILDING

Fly Reel Seat

This will be a series of informal, hands-on sessions that will result in a spinning or fly rod that you have assembled and finished.

TRA Gear now available!

Tee shirts, hats and stickers.

Many of you have already ordered the TRAA tee shirts, but if you haven't you better hurry because many sizes are almost sold out! These are a steal at \$15 each. We have some new colors too! The colours available are: Clay Grey, Burnt Orange and Taupe. If you thought the tee shirts were a great deal, all three of these hats are also priced at \$15 each. We now have some nice stickers featuring the TRAA logo that you can apply to your boat, lunchbox or wherever you like. These are \$2 each but you get one for joining the TRAA as a member or renewing an existing TRAA membership.
